SUSTAINABILITY

We are fully committed to ensuring that our products are environmentally friendly. All our products are independently tested to meet or surpass all California Air Resources Board standards for emissions. We also offer select products with additional environmental certifications.

GREENGUARD GOLD CERTIFIED

Forevermark Cabinetry is proud to offer select lines certified by UL Environment's GREENGUARD GOLD program, reaffirming our commitment to creating healthier indoor spaces for our customers.

What is GREENGUARD GOLD Certification?

GREENGUARD GOLD ensures products meet strict chemical emissions limits, contributing to better indoor air quality. It is designed to account for sensitive individuals, such as children and the elderly, making it ideal for use in schools, healthcare facilities, and other sensitive environments. Recognized by major green building standards like LEED® and CHPS, this certification supports sustainable practices while promoting healthier living spaces.

Who is UL Environment?

UL, or Underwriters Laboratories, is a global, independent safety science company with over a century of expertise in safety, sustainability, and innovation. Originally founded to ensure the safe adoption of electricity, UL has expanded to address modern challenges, including renewable energy, nanotechnology, and indoor air quality.

UL Environment, a division of UL, focuses on sustainability and safety certifications, helping manufacturers create and consumers identify products that meet rigorous environmental and health standards. The GREENGUARD Certification program is part of this effort, aimed at reducing exposure to harmful chemicals in everyday products.

What Does GREENGUARD Certification Test For?

GREENGUARD Certification screens for over 10,000 chemicals and sets strict limits on more than 360 volatile organic compounds (VOCs), including formaldehyde. Products undergo rigorous scientific testing to ensure their emissions meet some of the most stringent indoor air quality standards in the world. The certification also includes a cap on total VOC emissions to further protect human health.

Why is GREENGUARD Certification Important?

Everyday products and building materials release VOCs into the air, which can trigger health problems when inhaled. GREENGUARD Certification ensures products have low chemical emissions, improving indoor air quality and reducing potential risks for occupants. This is particularly vital in spaces where people spend extended periods, like homes, schools, and healthcare facilities.

How Does GREENGUARD Certification Benefit You?

- Contributes to better indoor air quality.
- Recognized by over 460 green building standards, including LEED® and CHPS.
- Demonstrates a commitment to environmental sustainability and occupant health.
- Supports healthier environments, especially for sensitive populations.

DESIGN PROGRAMS

Forevermark Cabinetry's catalog is available on 20/20 and ProKitchen for reference and design purposes. Specifications, designs, and pricing may vary from these programs. For accurate pricing, submit your order for a quotation. Forevermark Cabinetry is not responsible for pricing or specification discrepancies in design programs.

CONFIRMING ORDERS

Order confirmations are usually sent within 2-4 hours during our business hours via fax or email. If an order confirmation is not received within this time, please call our office. Orders are processed only after the dealer signs and returns the confirmation. Indicate any specific ship dates or instructions (e.g., "Ship 11/7" or "Hold until further notice"). If not specified, shipments follow standard lead times. Additional fees apply for canceled or revised orders after confirmation. A daily storage fee applies for orders held past the confirmed ship date.

EXCEPTIONAL LEAD TIME

In most cases, RTA orders are shipped within 1-2 days of confirmation, while assembled orders are shipped within 3-4 days. This lead time applies to all shipping methods, including truck, ground carrier, freight carrier, and pickups. Please note that longer lead times may apply for high-volume orders.

MODIFICATIONS POLICY

Moderate modifications are available for an additional flat fee, which varies based on the specific changes and is subject to change depending on the type of modification. Common modifications include adjusting cabinet depth (excluding drawers) and installing roll-out trays. Modifications are subject to availability, pending time restraints, and may require additional lead time. Modifications are subject to cancellation at any time and are not returnable. For details and pricing, please contact our office. TSG and Forevermark Cabinetry reserve the right to decline any modification request.

DIRECT DELIVERIES

Due to our exceptional lead time, delivery schedules are finalized the evening before the ship date. Customers are typically contacted the evening prior or morning of delivery with an estimated delivery window. Dealers may also call our office on the morning of their delivery for an update. If we are unable to reach you or your office, the shipment may be postponed. Rescheduling a delivery the day before may incur a fee, and additional charges apply for returned deliveries that must be rescheduled. Deliveries with over 30 minutes of waiting time at a stop will be rescheduled automatically.

DELIVERY FEES

Zone 1

Forevermark Cabinetry provides free shipping for all orders over \$700 within a 75 mile delivery range in NY, NJ, and parts of PA. Multiple orders can be combined to apply for waive of shipping fees. All orders under \$700 will be charged a \$55 surcharge.

Outside of Zone 1

We receive shipping quotes from various carriers to provide you with competitive rates for your area, either using our company trucks or common carriers. The shipping quote for all deliveries outside of our delivery zone will be included in your order confirmation. Alternatively, customers can choose to arrange their own freight (see "Common Carriers/Ground shipments").

Residential/Job Site deliveries within Zone 1

Residential or job site deliveries are available for an additional fee. This includes drop ship only. Inside deliveries may be performed at the discretion of the driver. Shipments that involve deliveries above the ground floor, regardless of elevators or walk-ups, or special circumstances may incur additional fees and must be made known to us at the time of order, or such accommodations cannot be made. Please note that drivers will not be responsible for disposing or removal of packing materials. TSG and Forevermark Cabinetry reserve the right to refuse any residential or multi-floor delivery request.

Dealer is responsible for remitting payment for all direct truck residential/job site delivery orders the business day before delivery. Rescheduling fees may apply for orders rescheduled day before or upon delivery.

COMMON CARRIERS/ GROUND SHIPMENTS

It may be necessary at times to send products via outside carriers (i.e. Fed Ex, UPS, etc). A freight quote will be generated on all invoices. When this occurs, the dealer is responsible for remitting payment prior to shipping, either via check, wire transfer, or credit card. Damaged items for carrier shipments must be claimed within seven (7) days. Missing items must be noted on driver's proof of delivery in order for a claim to be processed and a form must be sent into Forevermark Cabinetry (see Replacements/Claims). Customers may arrange their own common carrier or ground shipments by noting accordingly at the time their order is placed. Once the order is ready, we will contact you to advise the shipment information for pick up. At this time, we do not offer expedited shipping services through our carriers and do not accept shipping labels or bills of lading with expedited services.

PICK UP ORDERS

Dealers may pick up at our TSG/Forevermark Cabinetry warehouse location at 1130 King Georges Post Road, Edison, NJ 08837. Please indicate on your order form if you intend to do so. Please adhere to our lead time for pickups. Pick up times are Monday-Friday, 9am-3pm. We allow tail-gate pickups, as well as personal vehicles. Customer is responsible for loading their own trucks or vehicles. TSG reserves the right to refuse pickups at TSG's discretion. TSG reserves the right to refuse to provide any orders that are not confirmed at least 1-2 days prior to pick-up, although we do make every effort to accommodate walk-in or same day requests.

CLAIMS

When freight is delivered or picked up, please verify that your order is intact and correct BEFORE signing the driver's delivery slip. Any incorrect or missing items claims will NOT be honored once a delivery is signed for. If any items in the delivery appear to be damaged or missing, please note on the driver's delivery ticket and contact Forevermark Cabinetry immediately.

There are times when everything on a delivery looks fine, but when you open the box the item is damaged. Please open all boxes within seven (7) days of delivery. If you do not file a claim or submit a claim form in this time frame of seven (7) days, a claim cannot be filed and the item will not be replaced. Damaged item claims must be made prior to assembly and/or installation. Any damaged item that is installed or assembled will not be replaced.

REPLACEMENTS

To request a replacement for damages or warranty, please fill out the enclosed Forevermark Cabinetry replacement/return form and fax to Forevermark Cabinetry at (732) 372-7669, or send via email to claims@tsgcabinets.com. Damaged items must be claimed within seven (7) days of delivery.

We may request that all damaged parts/products to be returned upon delivery of any replacement parts, or pictures of the damaged goods. If neither is received in 30 days from delivery of replacements, we will charge your dealer account for the price of replacements. Replacements will not be honored if the item being replaced has been installed or altered. (i.e. handles/holes drilled, etc) Replacements generally take 3-7 days for processing and shipping, but can vary based on part availability.

Please note that items damaged due to shipping and/or incorrect items can only be claimed up to 7 days after delivery date. Missing items must be noted upon delivery on driver's delivery slip(s). This includes and is not limited to shipping damages, dents, or scratches. TSG/Forevermark Cabinetry reserves the right to replace solely the damaged part on both RTA or assembled cabinets, not the cabinet in its entirety. Replacement items ship via LTL or ground carrier. Expedited replacement items or shipping arrangements cannot be accommodated. All damaged items must be submitted at one time. Otherwise, additional charges may occur. Some replacement parts are subject to availability, and may differ from those originally supplied. Replacements parts can only be shipped within 48 contiguous US states, otherwise dealer is responsible for shipping

arrangements.

RETURNS

Cabinets can be accepted for return for up to 60 days after delivery date. We can only accept RTA returns in good condition and original packaging. Assembled, modified or special order cabinets cannot be returned. RTA cabinets that are assembled cannot be returned. All returns are subject to inspection and a 25% restocking fee. Returns are accepted for credit only, and applicable credit will be applied to the dealer account. Credit cannot be given for product returned without the proper paperwork. Orders that are confirmed but are canceled prior to delivery or refused upon delivery will also incur a restocking fee. Damaged goods or items can be returned in accordance with our normal return policies (customers are responsible for return freight and restocking fees).

To request a return, please fill out the enclosed replacement/return form and fax to Forevermark Cabinetry at (732) 372-7669, or send via email to claims@tsgcabinets.com.

CABINET CONSTRUCTION

Forevermark Cabinetry is constructed from several pieces of solid wood and wood veneers on plywood. Differences in grain pattern and color should be expected. Color differences in wood are the result of variations in minerals found in the soil native to the tree's origin. Absorption of these minerals will vary by tree or parts of said tree. In addition, color changes can be experienced due to different exposure to light. All species of wood will display characteristics such as knots, pinholes, sap runs, mineral streaks, and darkening will age. It is the natural beauty of wood to exhibit these characteristics and they will be present throughout your cabinetry.

CABINET CARE

Kitchen cabinets should be dusted or cleaned periodically like any wood furniture. Cabinets should be cleaned with a damp cloth and no cleaning materials. Cabinets should be dried immediately. Clean spills and splatters immediately; exposure to spills food or liquids may discolor your cabinet finish. Never wipe your cabinetry with a used dishcloth as it can contain traces of grease or detergents.

WARRANTY

Forevermark Cabinetry has a two to five year limited warranty on cabinetry parts and hardware, guaranteeing your cabinetry to be free from material or workmanship related defects under normal use to the original owner. For more information, ask a representative for complete details.

LIMITED WARRANTY INFORMATION

The Shekia Group, LLC d/b/a TSG, LLC ("TSG") warrants its Forevermark Cabinetry products to be free of manufacturer defects that are avoidable, and unnatural defects in material and workmanship under normal use, for five (5) years from the date of purchase by the original consumer purchaser (except for cabinets with painted finishes, which are limited to a two (2) year warranty). This limited liability warranty applies to residential use only at the original site of installation only. This limited liability warranty is non-transferable.

This limited liability warranty does not cover or apply to any defect that is not caused by TSG. This warranty does not cover or apply to products that have been misused; mishandled; abused; improperly stored or installed; modified; or subject to excesses of moisture or extreme temperatures, abrasive or citrus cleaning products, neglect, transit damage, assembly, disassembly, intentional damage, accidents, negligence, on-site alterations, improper storage, defective installation or normal wear and tear. Any modification to the hardware structure or finish of the original consumer purchaser's cabinetry by anyone other than those specifically authorized by TSG to do so shall void this limited liability warranty. The product must be used exclusively for its intended purpose in order to be covered by this limited liability warranty. This limited liability warranty shall become void if the cabinets or any components or parts thereof are in any way modified, improperly installed or damaged prior to or during installation, or installed or used in other than normal residential applications.

This limited liability warranty does not include or cover the cost of installation, removal, subsequent damage or transportation of the allegedly defective product, regardless of whether work was performed by a contractor, a service company or the original consumer purchaser. This limited liability warranty does not apply to any products used in conjunction with the cabinetry, including but not limited to countertops, appliances or plumbing fixtures. Use of cabinetry or any components or parts thereof in any way contrary to any instructions furnished by TSG shall void this limited liability warranty.

TSG's obligation under this limited liability warranty shall be limited to the repair or replacement, at its sole discretion, of any cabinetry or any components or parts thereof that TSG deems proven defective under normal use and service within the warranty period. This limited liability warranty is limited to the repair or replacement of the allegedly defective cabinetry or components or parts thereof, and does not include or cover any other costs, including but not limited to any costs of service, labor, shipment, transportation, removal or installation related to the repair or replacement.

WARRANTY (CONTINUED)

Forevermark Cabinetry cabinets are constructed from several pieces of solid wood and wood veneers on plywood. Differences in grain pattern and color should be expected. Wood characteristics that naturally occur, such as variations in color, grain, mineral streaks and knots, are not considered defects. Color variations and color softening in cabinets are a natural occurrence due to species, age, character of cabinets and exposure to UV light and sunlight. For these reasons, replacement cabinets may not match display samples and/or the existing cabinets in the original consumer purchaser's home. Such variations and changes are not considered defects. This limited liability warranty applies only to defects, and does not apply to the yellowing and aging of any wood product. Forevermark Cabinetry products are wood products, and extreme conditions (high/low humidity, temperature, etc.) will cause any wood product to respond adversely. Accordingly, this limited liability warranty does not apply to cabinetry exposed to extreme conditions. Please note that newly produced cabinets will never be the same color as aged cabinets. TSG reserves the right to inspect any alleged defects in the field to determine if the product should be repaired in the field or in the factory, or replaced, if at all.

Mitered door joints in particular are likely to react to conditions of their environment. Gaps that may develop in door joints due to conditions of their environment are not included or covered by this limited liability warranty. This limited liability warranty does not cover or apply to hairline cracks of cabinetry; hairline cracks are unavoidable in wood cabinets given the nature of the material. Every species and grade of solid wood behaves in such a way as to eventually result in hairline cracks. Painted finishes react differently than stained finish with normal wood movement, and climatic conditions may result in breaks in finish, recesses and joint and panel lines. These conditions are considered a normal occurrence and are not included or covered by this limited liability warranty. Cabinet doors that are warped must be allowed to hang through one seasonal heating cycle (i.e., through a full summer) before replacement will be considered by TSG under this limited liability warranty. Doors that are warped in either direction not exceeding one-quarter inch (1/4") do not exceed normal material expectation and are not included or covered by this limited liability warranty.

TSG periodically makes changes to its product line and specifications. If a warranty claim is presented for a discontinued or unavailable cabinet or component or part thereof, TSG will replace the cabinet or component or part thereof under warranty with a new cabinet or component or part thereof of the same style or with a similar or comparable style currently offered by TSG. Some replacement cabinets and components and parts thereof are subject to availability, and may differ from those originally supplied. TSG is not responsible for replacement product that may not exactly match installed product, and is not obligated to inform original consumer purchasers of the discontinuance of or changes to product lines and specifications or to make similar changes in all products previously manufactured. Material changes are not a valid reason for an original consumer purchaser to refuse replacement under this limited liability warranty.

Warranty claims cannot be made directly to TSG by the original consumer purchaser. To submit a warranty claim, the original consumer purchaser must contact the dealer or distributor from whom the Forevermark Cabinetry products were purchased and report the nature of the alleged defect. The dealer or distributor

will obtain the information necessary to make a claim decision, and forward such information in writing to TSG for TSG's consideration of the claim. If the dealer or distributor is no longer functioning as a business entity, please submit your claim in writing, with proof of purchase, to: TSG / Forevermark Cabinetry, 1130 King Georges Post Road, Edison, NJ 08837

If a manufacturing defect occurs within this limited liability warranty's terms and conditions and TSG determines to replace the defective cabinet or component or part thereof, TSG will ship the replacement cabinet or component or part thereof to the original consumer purchaser via ground shipper or freight carrier, at TSG's sole discretion.

Please do not send the allegedly defective cabinet or component or part thereof to TSG, unless and until expressly requested to do so by our claims department. Pictures of cabinets or components or parts thereof may be requested by TSG. Making a fraudulent claim may be a crime, and violators may be prosecuted.

This limited liability warranty and its enforcement, and any and all claims or disputes arising out of, relating to or in connection with this limited liability warranty or the making, performance or interpretation of this limited liability warranty, shall be (1) governed by and construed exclusively in accordance with the laws of the State of New Jersey, without regard to the conflicts of law or choice of law principles of the State of New Jersey or any other jurisdiction (including but not limited to U.S. federal law) that would require the application of the law of any other jurisdiction, and (2) brought only in the United States District Court for the District of New Jersey or the New Jersey Superior Court, Middlesex County.

THIS WRITING IS THE COMPLETE AND EXCLUSIVE REMEDY FOR ANY ORIGINAL CONSUMER PURCHASER FOR BREACH OF WARRANTY. THE STATEMENT OF THE EXPRESS WARRANTIES PROVIDED HEREIN IS IN LIEU OF ANY AND ALL OTHER EXPRESS AND/OR STATUTORY WARRANTIES, TO THE EXTENT PROVIDED BY LAW. IN NO EVENT SHALL TSG BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES TO ANY ORIGINAL CONSUMER PURCHASER OR A THIRD PARTY, INCLUDING BUT NOT LIMITED TO DAMAGES ARISING FROM PERSONAL INJURY, LOST PROFITS, LOSS OF BUSINESS OPPORTUNITIES, LOSS OF PROPERTY, ECONOMIC LOSS, STATUTORY OR EXEMPLARY DAMAGES, WHETHER FROM NEGLIGENCE, WARRANTY, STRICT LIABILITY OR OTHERWISE. ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, COURSE OF DEALING AND USAGE OF TRADE, AND ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, ARE EXCLUDED AND DISCLAIMED, EXCEPTING ONLY THOSE EXPRESS WARRANTIES SPECIFICALLY SET FORTH IN THIS LIMITED LIABILITY WARRANTY. IN NO EVENT SHALL TSG BE LIABLE FOR ANY INDIRECT DAMAGES RESULTING FROM INSTALLATION, USE OR FAILURE OF ITS PRODUCTS. THIS LIMITED LIABILITY WARRANTY IS TSG'S SOLE WARRANTY, AND NO DEALER, DISTRIBUTOR OR AGENT POSSESSES ANY AUTHORITY WHATSOEVER TO MODIFY OR ENLARGE THIS WARRANTY IN ANY WAY.
